#### INSTRUCTIONS TO BIDDERS

#### 1. Bid Forms

All written bids, unless otherwise provided for, must be submitted on, and in accordance with, forms provided, properly signed. Bids submitted in the following manner will not be accepted.

- 1. Bid containing no signature indicating intent to be bound;
- 2. Bid filled out in pencil; and
- 3. Bid not submitted on the state's standard forms.

Bids must be received at the address specified in the Invitation for Bids prior to bid opening time in order to be considered. Any bid received after bid opening time will be retained in bid file unopened. Telegraphic and fax alterations to bids received before bid opening time will be considered provided formal bid and written alteration have been received and time-stamped before bid opening time.

#### 2. <u>Special Envelope</u>

Ensure consideration, all bids should be submitted in the special bid envelope if furnished for that purpose. In the event bid contains bulky subject material, the special bid envelope should be firmly affixed to the mailing envelope.

#### 3. <u>Prices</u>

The bidder must state the prices (written in ink, in figures) for which he proposes to furnish each item and shall show the total extended amount for each based on the quantities shown. In case, however, of conflict between the unit price and the extended amount, the unit price shall govern. Unit prices should be inclusive of any freight charges.

#### F.O.B.

Bid should be FOB Destination/Agency, title passing upon acceptance of merchandise. Failure to comply with this requirement may disqualify your bid.

#### 5. Standard of Quality

Any product or service bid shall conform to all applicable Federal and State laws and regulations and the specifications contained in the IFB. Unless otherwise specified in the IFB, any manufacturer's name, trade name, brand name, or catalog number used in specifications is for the purpose of describing the quality level and characteristic required. Bidder must specify the brand and model number of the product offered in this bid. Bids not specifying brand and model number shall be considered as offering the exact products specified in the IFB.

#### 6. <u>Descriptive Information</u>

Bidders proposing an equivalent brand or model should submit with the bid information (such as illustrations, descriptive literature, technical data) sufficient for BPCC Purchasing to evaluate quality, suitability, and compliance with the specifications in the IFB. Failure to submit descriptive information may cause bid to be rejected. Any change made to a manufacturer's published specifications submitted for a product shall be verifiable by the manufacturer. If item(s) bid do not fully comply with specifications (including brand and/or product number), bidder must state in what respect the item(s) deviate. Failure to note exceptions on the bid form will not relieve the successful bidder(s) from supplying the actual products requested.

#### Manufacturer's Numbers and Trade Names

Where manufacturer's product is named or specified, it is understood that "or equal" shall apply, whether stated or not. Such name and number is meant to establish the standard, type, quality, style, etc. BPCC shall be the sole judge as to whether or not the equipment/supply offered is equal to that specified.

#### Bid Opening

Bidders may attend the bid opening, but no information or opinions concerning the ultimate contract award will be given at the bid opening or during the evaluation process. Bids may be examined 72 hours after request is made. Information pertaining to completed files may be secured by appointment only to the Purchasing Dept. at BPCC. Written bid tabulations will not be furnished. Copies will not be furnished.

#### 8. Award

Award will be made to the lowest responsible bidder, taking into consideration the quality of the products to be supplied, their conformity with specifications, the purposes for which they are required, and the time for delivery. Bossier Parish Community College reserves the right to award items separately, grouped or on an all-or-none basis and to reject any or all bids and to waive any informalities.

#### 9. Purchase Order

If any bid or bids are accepted, an initial purchase order or orders for the entire number of units or part thereof, will be issued not later than thirty (30) days after receipt of bids by the Owner to the lowest bidder offering products which, in the opinion of the College, meet the requirements of these specifications. BPCC reserves the right to cancel any order resulting from this solicitation with 30 days written notice.

#### 10. <u>Conditions of Purchase Orders</u>

We will not in any manner be responsible for goods delivered or work done for our account without a written order. No allowance for boxing or crating. If you cannot fill order as directed, return for advice. Quantities in excess of the order may be returned or held subject to shipper's order, expense and risk. By accepting the order you hereby warrant that the merchandise to be furnished hereunder will be in full conformity with the specifications, drawing or sample and agree that this warrant shall survive acceptance of the merchandise and that you will bear the cost of inspecting merchandise rejected.

#### 11. <u>Inspection and Acceptance</u>

Upon delivery of each item to the Agency, inspection of the item will be made by Bossier Parish Community College, or their representative, at the point of delivery, or in special cases, at point of origin. Acceptance of the item will be made after inspection determines that all requirements of the specifications and the proposal have been met.

#### 12. Reject

All rejected goods will be at seller's risk and expense, subject to seller's prompt advice as to disposition. Unless otherwise arranged all rejected goods will be returned and charged back including all transportation and handling costs. All packages must reflect the BPCC purchase order number or it will be refused and returned at vendor's expense.

#### 13. Payment Terms

Cash discounts for less than 30 days or less than 1% or greater than 5% will be accepted, but will not be considered in determining awards. On indefinite quantity terms contracts, cash discounts will be accepted and taken but will not be considered in determining awards. Bids containing "payment in advance" or "COD" requirements may be rejected. Payment is to be made within 30 days after receipt of properly executed invoice or delivery, whichever is later. Invoices shall be submitted to: Bossier Parish Community College, Accounts Payable, 2719 Airline Drive North, Bossier City, LA 71111, attn: Arlene Hanson. We must pay from ORIGINAL, ITEMIZED invoices as required by the State Legislative Auditor.

#### 14. U.S. Taxpayer Identification Number

Enter your taxpayer identification number in the appropriate space on the Specifications and Bid Form Page. For individuals and sole proprietors, this is your social security number. For other entities, it is your employer identification number. PAYMENT CANNOT BE PROCESSED WITHOUT YOUR TAX I.D. NUMBER.

#### 15. Taxes

The State is exempt from sales/use tax. Vendor is responsible for including all applicable taxes in the bid price.

#### 16. New Products

Unless specifically called for in the IFB, all products for purchase must be new, never previously used, and the current model and/or packaging. No remanufactured, demonstrator, used or irregular product will be considered for purchase unless otherwise specified in the IFB. The manufacturer's standard warranty will apply unless otherwise specified in the IFB.

#### 17. Contract Renewals

Upon Agreement of Bossier Parish Community College Purchasing and the contractor, an open-ended requirements contract may be extended for 2 additional 12-month periods at the same prices, terms and conditions. In such cases, the total contract term cannot exceed 36 months.

#### 18. Contract Cancellation

Bossier Parish Community College reserves the right to cancel a contract with thirty (30) days written notice.

#### 19. Default of Contractor

Failure to deliver within the time specified in the bid will constitute a default and may cause cancellation of the contract. Where the Bossier Parish Community College Purchasing has determined the contractor to be in default, BPCC Purchasing reserves the right to purchase any or all products or services covered by the contract on the open market and to charge the contractor with cost in excess of the contract price. Until such assessed charges have been paid, no subsequent bid from the defaulting contractor will be considered.

#### 20. <u>Davis Bacon Act</u>

The Davis-Bacon Act, United States Code, Title 40, Chapter 3, Section 276(a) requires all laborers and mechanics employed by contractors and subcontractors who work on construction projects financed by federal assistance to be paid wages not less than those established by the Secretary of Labor for the locality of the project when required by federal grant program legislation.

#### 21. Order of Priority

In the event there is a conflict between the Instructions to Bidders or General Conditions and the Special Conditions, the Special Conditions shall govern.

#### 22. Applicable Law

All contracts shall be construed in accordance with and governed by the laws of the State of Louisiana.

#### 23. EEOC COMPLIANCE

By submitting and signing this bid, bidder certifies that he agrees to adhere to the mandates indicated by Title VI and VII of the Civil Rights Act of 1964, as amended; The Vietnam Era Veteran's Readjustment Assistance Act of 1974; Section 503 of the Rehabilitation Act of 1973; Section 202 of Executive Order 11246, as amended; and The Americans with Disabilities Act of 1990. Bidder agrees to keep informed of any compliance with all federal, state and local laws ordinances and regulations which affect his employees or prospective employees.

#### 24. Standard Preference

A. In accordance with Louisiana Revised Statutes 39:1595, a preference not to exceed 10% may be allowed for paper and paper products manufactured or converted in Louisiana of equal quality. For paper supplied in wrapped reams, each carton and each individual ream shall be clearly labeled with the name of the manufacturer or converter and the location within Louisiana where such paper is manufactured or converted. For paper and paper products supplied in bulk or in other forms, the smallest unit of packaging shall be clearly labeled with the name of the manufacturer or converter and the location within Louisiana where such paper or paper product is manufactured or converted.

Do you claim this preference? Yes
Specify Item Number(s):

F.O.B. Destination. The unit price of each item must be inclusive of freight charges order to be considered for award.

The bid price for each item is to be quoted on a "net" basis and F.O.B. BPCC Destination, i.e. title passing upon receipt and inclusive of all delivery charges.

Bids other than F.O.B. BPCC Destination may be rejected.

Bids indicating estimated freight charges may be rejected.

Bidders who do not quote "net" item prices and who separately quote an overall "lump sum" freight cost or discount for all items shall be considered as submitting an "all-or-none" bid for evaluation and award purposes; and risk rejection if award is made on an item basis.

Prices shall be firm for acceptance for a minimum of 30 days, unless otherwise specified. Bids conditioned with a shorter acceptance period may be rejected.

Prices are to be quoted in the unit/packaging specified (e.g. each, 12/box, etc), or may be rejected.

In the event of extension errors, the unit price bid shall prevail. Unit prices must be shown, or bid will be rejected.
